WRAMTA Annual Conference 2015

San Jose, CA

Conference March 12-15

CMTEs & Institutes March 10-12 & 15

Connections Conference March 14-15

Dear Music Therapy Supporter,

Join us as we celebrate fifty-six years of music therapy in the Western Region! The 2015 annual conference of the Western Region Chapter of the American Music Therapy Association, Inc. (WRAMTA) will be at the San Jose Airport Garden Hotel, in San Jose, California. Our conference is where clinicians hone their skills, learn to care for themselves, and reconnect with one another. It is also where students come to strengthen their competencies toward commencement.

The conference is specifically intended for music therapists; yet through networking and other established relationships, we attract professionals who are engaged in related helping professions for people with physical, cognitive or emotional needs. We will invite our music therapist colleagues from across the United States, as well as international music therapists, anticipating up to 250 attendees.

As a participating sponsor, advertiser, exhibitor or contributor, we will introduce your business, product or service, to a wide range of potential consumers. For sponsors, we tailor a program that ensures your visible presence throughout the conference. For advertisers, we ensure that your message reaches members and participants before, during and after the conference through our mobile and web-based program. For exhibitors, we provide you with a designated space during the conference to sell your products or services to participants. For contributors, special recognition is offered. Donations are accepted to support one of our most popular events, the Silent Auction. In addition, we can customize these opportunities to help you accomplish your specific advertising, marketing and promotional needs.

WRAMTA, a chapter of the American Music Therapy Association, is a 501(c)(3) organization. WRAMTA works to advance public knowledge of the benefits of music therapy, to increase access to quality music therapy services, and to further the development of the use of music therapy in medicine, research, and standards of music therapy. Our geographical area includes Alaska, Arizona, California, Hawaii, Idaho, Nevada, Oregon, Utah, Washington and all US territories in the Pacific Ocean. In accordance with Internal Revenue Service regulations, a portion of your contribution may be tax deductible.

We look forward to working with you collaboratively to target your advertising and marketing efforts toward music therapists and other helping professionals as part of the WRAMTA 2015 Annual Conference.

Sincerely,

Craig Warren

Bag Inserts

Another great way to get in front of each and every conference attendee is through bag inserts. WRAMTA is not responsible for any duplication of these marketing pieces. Content is subject to review and approval. You may submit any of the following: Tri-fold brochure, Flier up to 8 1/2 x 11 inches, catalog, or gift. Please include at least 280 copies/gifts. Cost for one submission is \$75.00. Discounts for multiple submissions are available!

Conference Program App

The Conference Program App is made available to anyone interested on iTunes, Google Play, and online for free well in advance of the conference and remains available for at least 90 days after the conference. The mobile conference program app is formatted for iPhones, Android phones, and tablets, and includes a web-based application for those who need to access it via their computer or blackberry. It includes information about conference events and sessions, acknowledgement of sponsors, advertisements, a map of the conference area, a map of the local area restaurants and attractions, and other pertinent information. Conference Program advertising is an efficient way to advertise to conference attendees, network with music therapy colleagues, share special news, thank someone, recognize important milestones, and support the WRAMTA. All advertisements can be in full color! For examples of what our conference app will look like, check out others at <http://www.crowdcompass.com/clients>. *Attendees look through this often throughout the three plus days of conference and even use it as a resource after they leave!*

Main Banner: Attendees can tap on your advertisement to see other resources in the app or on the web. An effective banner can drive traffic to your booth or website, increase industry visibility, and boost sales. The main banner is posted at the top of the screen and rotates every six seconds. Ten available.
